

StudyJesus.com presents *An Expository Study of John's Gospel*

How better to equip men than with the Gospel of John – the incarnation, God in Christ; Christ the *Logos* of God; the depths; the grace. Scholars have long debated the question: “Is Romans or John the most profound book of the Bible?” Pause for a minute. In our haste to study Romans, every great error has come. Study John before Romans. John will keep us all honest in Romans. The Gospel of John is, literally, Jesus! So know John! Keep John open as you study Romans. Jesus will always keep you in balance and out of error. The Gospel of John is basic, simple, practical. It is a wonderful study book. It is mandatory in Bible classes. We pray that churches of our Lord all over the world will use it. Our hands must tremble as we handle Scripture. Our hearts must be thrilled with John as we encounter the mystery of God in Christ. Praise God for the Gospel of John.
